Prairie North

BOARD

ELECTION

PRAIRIE NORTH CO-OPERATIVE LIMITED

BOARD OF DIRECTORS BIOGRAPHIES

KELLY COPELAND

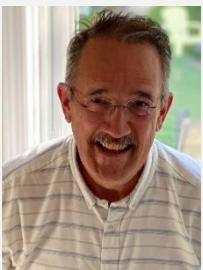

I have been a PNC board member for 6 years, serving as vice-president for the past three years. I enjoyed a 34-year career at SaskTel working as an operation manager in customer service, retail sales and construction over the last 15 years. I have been an active farmer for the past 35 years and am currently still farming. Our local PNC continues to be a vibrant part of our communities, delivering quality products and services, supporting many organizations with local funding, and providing quality employment opportunities in our trading area. PNC has seen many changes over the years, and no doubt will see more in the future, I look forward to serving the members moving forward.

GREG MASLIN

I live on a mixed farm near Archerwill with my wife Kellie and 3 children. I attended Archerwill and Rose Valley schools, then graduated from the University of Saskatchewan in 1998 with a degree in Agriculture. I joined the Archerwill Co-op board in 2005. I served on that board until 2018, when Archerwill Co-op joined Prairie North Co-op. I joined the Prairie North Co-op after the merger. I'm also a member of the Archerwill Rink board and Archerwill sports day committee. I have spent many years coaching minor hockey and baseball. In my leisure time I enjoy curling, softball, and hockey

RICHARD (RICK) PETERS

I retired from the Saskatchewan Health Authority in August 2022, after spending my entire career in health care working in Mental Health and Addiction Services. I was elected to the Melfort School Division #100 Board for three terms starting in 1995, holding a variety of titles, including chairing the Bridges Operation Committee, a forum for industry, primary and secondary education, and Community to create opportunity for students to bridge gaps between education, community, and industry. I have lived in Melfort since 1986, raising three children here with my wife Mavin. I have had an interest in the Cooperative movement since high school, attending the Cooperative Youth College of Canada.

LORNE TYACKE

I was born and raised on the family farm 15 miles south of Melfort. I attended MUCC and graduated from Gr. XII in 1965. After gaining experience working away, I moved back to the family farm in 1974. This is the mixed farm that I still operate today. I have my Electrical Contractor's license, which is current, and do small jobs and trouble calls. Today, I volunteer my electrical skills in service to my community. I served on the Melfort Co-op board from 1995-2009. Again in 2011, I ran for election to the Prairie North Co-op board and was successful and am currently still on the board.
